

Any 5 for \$20

All of these movies have been played and viewed by me (except for one that is still in its original wrapping). And, they have NO known issues. So, I am going to operate on the premise that all sales are final. However, If you are having issues with the movie after you purchase, just let me know and I'm sure we can work something out.

So, buy any 5 for \$20 or buy one individually (see Price Each). Just email me (chris@ccotti.com) and let me know which ones you are wanting to buy. I will hold them on a first come first serve basis. However, if arrangements have not been made to complete the transaction within 2 days from the day that you tell me you want them, I will move on to the next person in line or repost them as available.

Legend

- Original means I purchased the movie new.
- Pre-Viewed means that I purchase the movie off of a sale table at blockbuster.
